

Faith in

Action

So you think you're too old for Vacation Ventures?

That doesn't mean you are too old to spend an awesome week helping others and putting your faith and body into action! Faith in Action is an amazing, fast paced, action week of mission events centered around Atlanta for rising 6th, 7th, and 8th graders. Come one day or all five, just let us know. We'll leave daily at 9 am sharp (except on June 10, we'll leave at 8:30 am) and be back to the church at noon.

During the week we will be sorting food at the Atlanta Food Bank, be working at Med Share International packaging medical supplies, volunteering at a shelter for children, and more. Daily details will be emailed closer to our time together.

Please return the registration form to the church by May 1. Your guides for the week are Cindy Ferguson, Caroline Knight, Martha Nelson Kelly, John Ryan, and Lauren Scharstein.

Please note: all participants must wear tennis shoes each day and fill out a medical release form to participate.

New this year: there is no cost to participate in Faith in Action! Due to transportation limitations, please contact John Ryan before registering non-church members.

Faith in Action 2008 Registration
