Fun Fact

Disney's Coronado Springs Resort was named for Francisco Vasquez de Coronado, a 16th-century Spanish explorer. In 1540, he set sail for the New World in search of the Seven Cities of Cibola and their fabled riches of gold. He never found the legendary riches, but members of his group became the first Europeans to reach the Grand Canyon.

About Disney Gift/Debit Cards - used like cash and taken everywhere we'll be visiting on Disney property, it's an easy solution to having to keep up with cash on the trip. We found that Disney gift/debit cards can be bought in \$25.00 increments at local Publix stores or in any amount at the Disney store at Perimeter Mall. Two words of caution: 1) if the card is lost then there is no refund. 2) You can not redeem the card after the trip. But you can save it for your next Disney trip!

Adults on the trip are...
